

All in one stripper for flat, 250µm and 900µm fiber cable
Hand-held type stripper
Extremely convenience for use in the FTTx field

DC300A/B

DC300A/B

All in one stripper for flat, 250µm and 900µm.

- Hand-held type stripper
- Easy one hand operating
- Available for flat, 250µm and 900µm fiber cable
- Anti-slip grip design
- Long lasting lifespan: flat cable-60,000times / 250µm and 900µm fiber cable-90,000times
- Using aluminum material-very stable structure

DC300A/B

Description

DC300A/B is developed as all in one stripper with three side blades for flat cable(DC300A/3x2mm, DC300B/2x1.6mm), 250µm and 900µm fiber cable. It is a very stable tool with aluminum material and anti-slip grip design. With easy one hand operating as hand-held type stripper, it provides long lasting lifespan: 60,000 times of flat cable, and 90,000 times of 250µm and 900µm fiber cable.
